FEBRUARY 2023

SAN DIEGO COUNTY  
**PROBATION**  
DEPARTMENT

# PHASE 2 PROJECT DESCRIPTION

- The second phase of the Youth Transition Campus is a **two-part project**. The first is the detention side and is designed to provide a safe, rehabilitative, and trauma-informed environment. The design of YTC and supporting facilities features home-like living units in an open, campus-like environment within a secure perimeter, with controlled access points.
- The second part of the phase 2 project encompasses a new single story Juvenile Probation Building, which will be known as the  
**Youth Development Center**
